SANTA

Your Christmas promotion is not complete without a visit from the North Pole's most famous resident

A **PROMOWORKS** Santa acts as an ambassador for your shopping centre to draw extensive crowds and provide that magical experience

Initial Santa training and regular refresher courses are provided for all PROMOWORKS Santas to ensure the highest possible standard is maintained. Our comprehensive training teaches the meaning of being Santa and the heavy responsibility placed on each and every Santa to ensure his role is carried out in true character with special attention paid to his understanding of current toy trends and wish lists to assist with those difficult questions from his little visitors

Apart from ensuring that every Santa is of good standing and has passed all suitable background checks, our Santa school prepares him for all the challenges of the festive season. He will be equipped to deal comfortably and confidently with children of all ages and backgrounds

PROMOWORKS Santas have starred at community events, walked the wards of children's hospitals and brought joy to millions of boys and girls across Australia

Ask us for a Santa for your next corporate function or Christmas party. A PROMOWORKS Santa truly brings to life the character of Santa Claus

SANTA'S HELPERS

Rudolph isn't the only help needed for Santa as he relies on a number of helpers to create that magical experience.

Santa's Helpers ensure your Christmas promotion runs smoothly by interacting with little visitors as they wait their turn to see Santa

Mrs Claus complements Santa perfectly. With lots of tales to tell of her life at the North Pole, Mrs Claus often becomes the character children warm to most

Santa's Elves are cheeky little characters who will entertain shoppers and crowds alike. They get up to all sorts of mischief as all Christmas Elves do

From the magic of the Elves, the smiles of Santa's Helpers and the story telling of Mrs Claus, all Santa's family complete the ultimate Christmas experience.
